October 2020

**Dr.APJ Abdul Kalam**  
Birth Anniversary  
15th October 2020

"If you fail, never give up because FAIL means  
"First Attempt In Learning."

"You cannot change your future,  
but you can change  
your habits, and surely your habits will  
change your future."

"All of us do not have equal talent.  
But, all of us  
have an equal opportunity to  
develop our talents."

## Principal's Message.

Here comes October with smiles. There is calmness and revitalized fervour in the air.

It is the birth anniversary of the great Missile Man of India, Dr. APJ Abdul Kalam.

A case study in simple living, but high thinking, Dr. APJ Abdul Kalam was a towering leader.

Being a highly regarded ISRO scientist and an exemplary academic he was a visionary in every way; and evidently so, as his target audience was primarily, students.

At heart, he was essentially an educator whose speeches are still a source of inspiration for students; and for anyone who wants to lead a good life, a life of purpose.

Dr. Kalam was regarded as the Peoples' President, as his only agenda was development steeped in values. He proved to be a true son of the soil who selflessly dedicated his life to the country.

Falling short of words is inevitable while describing such a great personality. In conclusion, we celebrate the legacy of Dr. Kalam, a rare example of a truly good person.

This month saw the successful completion of our half yearly examination in a new portal.

It was also the auspicious occasion of Navratri. This year it was different as all were home bound. The school wishes and prays for everybody's well being.

Vijaya Bagaddeo

"October is the treasure of the year, and all the months pay bounty to her store". Such was the month for the IPS family where we have successfully fought the crisis and half a year has passed in which we introduced new beginnings in the school.

Dream, Dream, Dream...

"You have to dream before your dreams can come true". These golden words of former president Dr. APJ Abdul Kalam have inspired thousands of youngsters in our nation. Indo Public School has celebrated the birth anniversary of Dr. APJ Abdul Kalam on 15th October 2020. Students expressed their feelings through speeches in English describing not only his life history but also his achievements in the betterment of the nation.

As the year is passing we are introducing new beginnings in IPS where first we successfully launched our new Indo Public School Think Merit Exam Portal on 15th October 2020. Our goal with this new website is to conduct hassle free exams. Parents and students were delighted to see the change in the pattern of exam and how it is easily accessible.

"The greatness of a culture can be found in its festivals", and such festival is Navratri where nine nights are dedicated to different aspects of the divine feminine principle. It is a great symbol of our culture and folk diversity as a festival is celebrated in different ways all over India.

"Autumn colors remind us we are all one dancing in the wind". With this thought, together may we give our children the roots to grow and wings to fly for better future.

## Student Speaks.

### Topic - Think Merit Exam Portal:

I would like to thank all my teachers for putting so much effort for us during these hard times. The school has been off but our learning didn't. The 'Think merit portal' brings me some comfort. I know how amazing the school is for planning everything.

Rupil Jirapure(VII-A)

### Topic - Dr. APJ Abdul Kalam

Dr. APJ Abdul Kalam (Avul Pakir Jainulabdeen Abdul Kalam) was born on 15th October 1931 in the temple town of Rameswaram, located in Tamil Nadu. Due to poverty, Dr. Abdul Kalam had to sell newspapers in his early childhood to run his family, but he was a hardworking and sharp student. He started his schooling from Schwartz Higher School in Ramanathapuram. He then moved on to complete his graduation in physics from the University of Madras and after that to study aerospace technology from the Madras Institute of Technology. Dr. Kalam started his career as a scientist from the Aeronautical Development Establishment of DRDO and worked under the eminent scientist Vikram Sarabhai. He started his contribution as a scientist in 1969 when he was the project director of India's first satellite Launch Vehicle (SLV-III). He is considered the developer of the Polar Satellite Launch Vehicle. He is also played a crucial role in the development of Agni and Prithvi missiles. Dr. Kalam was the Chief Scientific Adviser to the Prime Minister in 1992 when the Pokhran-II nuclear tests were conducted. In 2002, Dr. Kalam was elected as the 11th President of India. He had received the title of 'People's President.' During his tenure as President, He was only the third President to be awarded the Bharat Ratna. He also imposed President's rule in Bihar in 2005. However, he did not file for Presidency for a second term and instead returned to the field of academics and continued to do so till his death in 2015.

## Teacher speaks

Topic - Navratri

Navratri is one of India's most significant festival. The nine day long festival is dedicated to different forms of maa Durga who is worshipped by the devotees in nine avatars.

**Day 1 (Shailputri):** On this day, the first manifestation of Goddess Durga-Shailputri is worshipped. In this avatar, Goddess Durga holds Trishul and lotus in her hands and spreads warmth, positivity and exuberance.

**Day 2 (Brahmcharini):** On the second day, devotees worship Brahmcharini. It is believed that in this avatar, Goddess Parvati please Lord Shiva by meditation. This day brings purity and peace.

**Day 3: (Chandraghanta):** This day is observed to worship Goddess Chandraghanta. In this avatar, Goddess wears a crescent moon on her forehead and with eight arms she pledges to destroy evils. This day brings passion and love in devotees' life.

**Day 4 (Kushmanda):** The fourth day of Sharad Navratri has its own significance. On this day Devi Kushmanda- Goddess of creation is worshipped. This day brings elegance and panache in our lives.

**Day 5 (Skandamata):** On the fifth day (Panchami) of the Sharad Navratri, Goddess Skandamata (seated on a lotus) is worshipped. She carries two lots in her hands and little Kartikay on her lap. This avatar of Goddess Durga brings prosperity and optimism.

**Day 6 (Katyayani):** On this day, Goddess Parvati takes the avatar of a warrior and shows her one of the most violent forms. This day also brings fertility and symbolises new beginnings.

**Day 7 (Kalaratri):** The seventh day (Saptami) of the Sharad Navratri is dedicated to Goddess Kalaratri. She is worshipped for her immense sacrifice and wars against demons. On this day, people are advised to wear grey clothes.

**Day 8 (Mahagauri):** Durga Ashtami (eighth day of Navratri) is of Goddess Mahagauri. On this day, Devi Parvati rides on a white elephant and holds Trishul and Damru. This avatar brings opulence and richness among devotees.

**Day 9 (Siddhidatri):** On the ninth-day of Sharad Navratri Goddess Siddhiratri is worshipped. Goddess Siddhiratri holds books in her hand which symbolises the importance of education. This day brings compassion and dedication.

Navratri is 2020 is being celebrated all over India with great joy and excitement. Because of pandemic, the celebrations this year are a bit different than every year.
