To

The Honourable Founders of Indo Public School, Amravati
On this auspicious occasion of " **Founders Day**"

We, all the staff of Indo Public School take immense pleasure to pen down our hearts. We are privileged to have such versatile and distinguished personalities of society as the Founders of our school. It is you, who trusted our abilities, identified our potentials and gave us the liberty to fly freely and yet get bonded for a common and noble cause. It is you, who transformed us from "Average to superior" and gave us a remarkable identity. It is you, who are standing before us as a protective shield during this adverse time and leaving no stones unturned to keep our school one step ahead of others.

We applaud your determination and dedication, No words are enough to express our gratitude. Just we can promise you that we all stand United under the banner of Indo Public School to give our best to see it grow, prosper and flourish.

" **Long Live our dear Indo Public School**" from
Principal, Vice Principal and Staff of Indo Public School.

Principal's Message.

In these difficult times, the September newsletter is truly special as it commemorates not one but two essential pillars of the school. This issue is specially dedicated to our gracious, honorable Founders who have sowed the seed, to enable the Teachers for their noble deed, to churn out a capable creed.

The supportive Founders and committed teachers blend harmoniously to create our child centric Indo Public School. Kudos to everybody to enable the students to trod the right path to reach their destination.

Vijaya Bagaddeo

'The foundation of every school is the education of its youth'. With this striking thought we can say that Founder's day is a special day when the entire school family has a chance to reflect on not only the beginnings of the school but also on the significant development since school inception.

On Founder's day, 8th September 2020, we celebrated our history, revisited and reconnected with the continuing journey of the school. We are thankful that we are blessed with such beautiful surroundings and wonderful facilities. We celebrated the bond that we share with past and present members of Indo Public School. We celebrated the joy of learning as we developed in mind, body and spirit.

We honoured our Founders as we reflected on the commitment, resilience and dedication they displayed to see their vision completed by the efforts imparted by their teachers.

On September 5th Teacher's day was celebrated. As Joyce Meyer says, ' Teachers can change the lives with just the right mix of chalk and challenges'. Teacher's efforts are celebrated on Teacher's day as these adults play the unique role in the lives of young minds and help to shape the future of the country.

The significance of this day is ever evolving including taking lessons from life. For school students, the day also meant making hand made cards to profess their affection for their favourite teachers. For senior students, Teacher's day was one of role reversal and celebration in teacher's shoes!

'Gratitude is an open door to abundance', with this thought we extend our gratitude to Founders and teachers for selfless service and dynamic support.

Thank you.

Teacher Speaks.

Thanks giving to the Founders . Thanks giving is the perfect time to pause and count our blessings. This Thanks giving day, we extend our warmest wishes to our Founders, for the confidence you have shown in us throughout the past years. We are deeply grateful. It's very rare to find someone like you. We are truly inspired by your thoughts. Our Founders are so good at what they do, that it seems effortless. We salute our Founders Because of you we learn more. Because of you we learn , we grow stronger and smarter. Because we are stronger and smarter, we are able to make an impact for good. Thanks for the trust and belief that we will deliver and raise the bar when necessary. Yes, we are blessed to have such great Founders. Thank you from the bottom of our hearts

Student Speaks.

Topic: Teacher's day

A teacher is like a candle who spends whole life in giving light to many students. My dear teachers.....we will never forget you in our life wherever we are. Across the world Teacher's day....is celebrated as a mark of respect in the society. We celebrated Teacher's day on 5th September 2020. On this special day, we paid tribute to our worthy and lovable teachers for their contribution in our lives, in our society as well as nation. I would like to thank all the teachers for the efforts you have put in to make us better people in our lives. Thank you my dear teachers for guiding and inspiring us.

Teacher's Message.

२००३ से निरंतर अद्विगत शिक्षा का सेवा-भाव दे रही इंडो पब्लिक स्कूल। ज्ञान, उचित और संपूर्ण अध्ययन से प्राप्त किया जा सकता है, लेकिन इसके लिए शुरुवाती बिंदु का होना जरूरी है। गही बिंदु है हमारे संचालक जिन्होंने शिक्षा का महान कार्य अमरावती में शुरू कर CBSE की पहली स्कूल की स्थापना की इसके लिए कई छात्रों को CBSE जैसे गरीब तथा गिराली शिक्षा का ज्ञान प्राप्त हुआ। शिक्षा ही नहीं खेल, खेल-सामग्री, हर विषय का ज्ञान तथा ज्ञानी विषयतज्ञों का चुनाव कर डॉ. आयुषी आशिष देशमुख इन्होंने अमरावती की जनता को एक ज्ञान का भंडार दिया। अभी भी वह कोरोना काल में भी सभी छात्र, अध्यापक और पालन की हितैषी बनीं। हमारी संचालक तथा संचालक समूह को हम सभी की ओर से कोटी-कोटी धन्यवाद!

Student speaks on Founders

On the special occasion of the 'Founder's Day' I am fortunate to get an opportunity to say that our Founders have done many things for school. It is the place where younger generation acquires knowledge and important lessons of life.

Our honourable founders are credited for establishing the first CBSE school in Amravati. We are really grateful to our founders for making IPS as one of the best school with state of art infrastructure which has made the students to excel in academic and non academic area as well. I am so proud to be a part of this institution.

I want to say that, strong leadership is the foundation of school's success. I pray our school continues to grow in future with success.

Fun Facts

The bird, the Common Swift, can stay in the air for up to 10 months without landing. They can even sleep and mate while flying.

Did you know?

One of the major ingredients in ice cream is actually "Air". Without air, ice cream would be hard as a rock.

Inspirational Quotes

1. The illiterate of the 21st century will not be those who cannot read and write, but those who cannot learn, unlearn, and relearn."
2. To acquire knowledge, one must study; but to acquire wisdom, one must observe.
